- AwOL : Stephanie Webber
- Pub crawl organised for Tuesday 19<sup>th</sup> January. Theme will be "Golf".
- Housing talks confirmed for Wednesday 13<sup>th</sup>. Confusions as to why the assumption was made that we had to arrange this. This is a RUSU event and it was thought that they contacted senior staff in advance.
- Possibility of a social event in London. Further details to follow.
- Possibility of having the annual boat party this term. Further details to follow.
- Committee will stay until end of academic year. Holding elections for a new committee was considered unnecessary given that the hall is closing this year.
- Meeting times are to be amended by NB. The next meeting time will be arranged by the committee later this week.

**Meeting ended at 7:30pm**
